FILE NO. 267-76-4 ORDINANCE NO. 104-77

AUTHORIZING THE COMPROMISE AND SETTLEMENT OF CERTAIN TAX COLLECTOR'S DEFICIENCY DETERMINATIONS UNDER PAYROLL EXPENSE TAX ORDINANCE, ARISING FROM DISPUTES AS TO WHETHER OR NOT LICENSED REAL ESTATE SALESMEN ARE "EMPLOYEES."

Be it ordained by the People of the City and County of San Francisco:

Section 1. A dispute has arisen between the Tax Collector, on the one hand, and certain real estate brokers, on the other hand, as to whether or not commissions paid by such real estate brokers to their licensed real estate salesmen must be included in the computation of "payroll expense" for purposes of the Payroll Expense Tax. Said real estate brokers, on the basis of an opinion by the California Attorney General that a real estate salesman may or may not be an "employee," depending on the facts of each particular case, contend that the particular relationship between said real estate brokers and their licensed real estate salesmen does not create an employer-employee relationship. The Tax Collector, on the basis of a City Attorney's opinion that real estate salesmen, as a matter of law, are employees whose commissions must be included in the real estate brokers' computation of payroll expense, has levied deficiency determinations against certain real estate brokers who did not include within their "payroll expense" commissions paid to licensed real estate salesmen. It is highly desirable to compromise and settle this dispute without the necessity of litigation.

The Tax Collector hereby is authorized to compromise and settle claims for back taxes arising from the above described deficiency determinations, by way of collecting the full amount of any such deficiency determinations accruing on or after July 1, 1974 and by not collecting the portion of said deficiency determinations accruing prior to such date; provided, however, that any such settlement shall be agreed upon in writing prior to April 1, 1977.

FILE NO. 267-76-5 ORDINANCE NO. 105-77

AMENDING ORDINANCE NO. 275-70 (PAYROLL EXPENSE TAX ORDINANCE) BY AMENDING SECTION 2.4 THEREOF, RELATING TO THE DEFINITION OF "EMPLOYEE," EFFECTIVE JANUARY 1, 1977.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Ordinance No. 275-70 (Payroll Expense Tax Ordinance) is hereby amended by amending Section 2.4 thereof to read as follows:

Section 2.4. "Commission Merchant or Employee."

(a) The term "Commission Merchant" shall mean a person who, for compensation in the form of a commission, engages in selling activities, including the solicitation or negotiation of a sale, or the forwarding of sales orders, which lead to the sale of goods, wares or merchandise owned by some person other than the commission merchant. The business of a commission merchant shall be deemed to include also the buying and selling of goods, wares or merchandise by a person to the extent that the person (1) does not engage in the business of manufacturing, refining, fabricating, milling, treating or other processing of the goods, wares or merchandise bought and sole, and does not cause said goods, wares or merchandise to be manufactured, refined, fabricated, milled, treated or otherwise processed; (2) does not obtain or retain title to said goods, wares or merchandise except in one or more of the following situations: while such may be in transit, or for short periods of time before transportation commences or after it ceases; and (3) does not store or warehouse such goods, wares or merchandise except during one or more of the following situations: while such goods, wares or merchandise are actually in transit or for short periods of time before transportation commences or after it ceases.

(b) The term "employee" shall mean and shall include any individual who qualifies as an employee within the meaning of Division 4, Part I, Chapter 2, Article 2 of the Labor Code of the State of California. Nothing herein shall be deemed to incorporate any provisions from said Labor Code relating to scope of employment. The above provisions of the said Labor Code shall mean those provisions as they exist on the effective date of this ordinance. For purposes of this tax, any individual compensated in his or her capacity as a licensed real estate salesman shall be deemed an "employee" of the real estate broker under whom he or she is licensed, and any compensation received by such individual, including compensation by way of commissions, shall be included in the "payroll expense" of the real estate broker under whom he or she is licensed.

Section 2. This amendment is intended to resolve legislatively certain contentions which have been raised by some real estate brokers that a real estate salesman is not an "employee" for purposes of the Payroll Expense Tax. Nothing herein is intended to, or does, change or bear upon the meaning of the terms "employee" or "payroll expense" as they existed prior to the effective date hereof.

Section 3. This ordinance shall become effective as of January 1, 1977.

Any insufficiency of form or substance in such statement shall in no wise affect the validity of the election and proceedings held thereunder. No recall petition shall be filed against any supervisor until he or she has held that office for at least six months.

If the petition accompanying a proposed recall be signed by registered voters of the district from which the supervisor is elected or appointed equal in number to ten percent of the entire vote cast for supervisor at the last preceding general municipal election for supervisor in that district and contains a request that said recall be submitted forthwith to a vote of the electorate at a special election, then the registrar shall forthwith call a special election in that district, which shall be held at a date not less than sixty nor more than seventy-five days from the date of calling the same, at which said recall shall be submitted to a vote of the electorate of that district. If the date of calling the special election is within sixty days of a general or primary election, the recall shall be submitted at such general or primary election.

The filing, verification and certification of recall petitions shall be in accordance with the provisions of Section 9.109 of the Charter of the City and County of San Francisco.

With or upon the sample ballot mailed to each voter in a supervisorial district prior to a supervisorial recall election in said district, there shall be transmitted the reasons for demanding the recall of the supervisor as set forth in the recall petition, printed in not more than three hundred words, and with or upon the same ballot the printed statement of the supervisor in not more than three hundred words justifying his or her course in office.

SEC. 2.11. Placing Name of Candidates for Supervisors on the Ballot. Pursuant to the provisions of Section 9.100 of the Charter, the name of a candidate for supervisor shall be printed upon the ballot for the district in which the candidate resides when a declaration of candidacy and certificates of not less than twenty nor more than thirty sponsors who are qualified voters in that district shall have been filed on his or her behalf, and when the nomination shall have been made in the following manner:

. . . . .

DOCUMENTS

The candidate, not more than sevety-five days before the municipal election in November, shall file with the registrar a declaration of candidacy, in the form prescribed by the registrar for all candidates, including a statement of qualifications not to exceed one hundred words, subscribed by the candidate before the registrar. The registrar shall forthwith certify to the said subscription and its date and retain and file the declaration. The candidate shall pay to the registrar at the time of filing his or her declaration of candidacy a sum equal to two percent of the current annual salary for supervisor. In lieu of such filing fee, a candidate may submit to the registrar signatures of voters registered in the district for which office is sought as provided in the general laws of this state. After said declaration shall have been signed, certified and filed, and not later than sixty days before the election each candidate shall file with the registrar, on forms furnished by the registrar, not less than twenty nor more than thirty sponsors, who are electors qualified to vote at the said municipal election in that district and who shall sign and certify under the penalty of perjury to the qualifications of said candidate.

In each district the name of every candidate who has been nominated for supervisor as provided above shall be placed on the ballot under the heading of supervisor in the following manner:

The candidates in each district shall draw lots to determine which candidate shall be listed first on the ballot. The names of the remaining

candidates shall be listed in alphabetical order from that first name to the end of the list, and if necessary, shall list the remaining candidates by starting at the beginning of the list.

Immediately under the name of each candidate and not separated therefrom by any line may appear, at the option of the candidate, one of the following designations:

(a) Words designating the city, county, district or state office which the candidate then holds.

(b) If the candidate is a candidate for same office which he or she then holds, and only in that event, the word "incumbent."

(c) The profession, vocation or occupation of the candidate in not more than nine words.

In all cases words so used shall be printed in eight-point Roman boldface capitals and lower-case type.

No incumbent shall have any further preference in the location of his or her name on said ballot unless the same is permitted by this section.

The registrar shall preserve in his or her office for a period of four years all candidates' declarations, petitions and all sponsors' certificates filed in accordance with this section.

SEC. 2.12. Material on Candidates Mailed to Voters. Pursuant to the provisions of section 9.100 of the Charter, and with respect to each supervisorial district:

. . . . .

The registrar shall, before each municipal election at which a member of the board of supervisors is to be elected from that district, cause to be printed and mailed to each registered voter in said district, a copy of all statements of qualifications of candidates for said office received by him or her, to be followed by the names, addresses and occupations of all sponsors of each such candidate.

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE TO CORRECT CLERICAL AND EDITORIAL ERRORS, TO INCREASE THE MAXIMUM LOAN ON SINGLE FAMILY RESIDENCES, AND TO PROVIDE FOR HARDSHIP LOANS BY AMENDING SECTIONS 32.1, 32.2, 32.51, 32.53, 32.69, 32.75, 32.80, 32.81; BY REPEALING SECTIONS 32.90 and 32.91; AND TO ESTABLISH RELOCATION BENEFITS BY ADDING NEW SECTIONS 32.90 and 32.91.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Sections 32.1, 32.2, 32.51, 32.53, 32.69, 32.75, 32.80 and 32.81 of the San Francisco Administrative Code are amended to read as follows:

Sec. 32.1. Purpose.

This chapter provides for the administration and financing of a Rehabilitation Assistance Program (RAP) in the City and County of San Francisco. The provisions of this chapter constitute the City's comprehensive residential rehabilitation financing program adopted pursuant to the Marks-Foran Residential Rehabilitation Act of 1973, Section 27910, et seq., of the Health and Safety Code and under Charter Section 7.308. The purpose of RAP is to improve the condition of housing and the quality of life in San Francisco by providing a means through which property owners in designated residential areas in San Francisco which are deteriorating may obtain financial assistance to rehabilitate their property. It shall be the policy of RAP to maintain the existing diversity of San Francisco's neighborhoods, to encourage the existence of low and moderate income housing, and to preserve the residential character of designated areas. The methods to be used consist of concentrated code enforcement, relocation assistance, low-cost, long-term loans for property rehabilitation, and public improvements necessary to ensure the successful rehabilitation of the area, and it shall be the policy of the

City to provide adequate funding for these purposes as funds are available.

Sec. 32.2. Definitions.

Unless the context otherwise requires, the following definitions govern the construction of this chapter:

(a) "Abatement Appeals Board" means the Board described in Sections 203.1 through 203.1.G of the San Francisco Building Code.

(b) "Area Rent Committee" means the committee established in accordance with section 32.34.

(c) "Bonds" means any bonds, notes, interim certificates, debentures, or other obligations issued by the City pursuant to this chapter and which are payable exclusively from revenues, as defined, and from any other funds specified in this chapter upon which the bonds may be made a charge and from which they are payable.

(d) "City" means the City and County of San Francisco.

(e) "Citizen Advisory Committee" means the committee established in accordance with section 32.30.

(f) "Code enforcement area" has the same meaning as "residential rehabilitation area."

(g) "Conventional RAP loan" means any residential rehabilitation loan made pursuant to the provisions of this chapter which is not a hardship loan.

(h) "Designated area" has the same meaning as "residential rehabilitation area."

(i) "Financing" means the lending of money or any other thing of value for the purpose of residential rehabilitation and unless otherwise indicated includes refinancing of outstanding

indebtedness of a participating party with respect to property which is subject to residential rehabilitation.

(j) "General property improvements" means those items of residential rehabilitation which are not necessary to meet either rehabilitation standards or incipient violations thereof.

(k) "Hardship loan" means an interest-free loan with deferred payments of principal made to a qualified low-income owner-occupant of property subject to residential rehabilitation who would not otherwise be able to pay the cost of meeting rehabilitation standards.

(l) "Incipient Code Violation" is a physical condition which can be expected to deteriorate into a violation of a rehabilitation standard within two years.

(m) "Loan Committee" means the committee established in accordance with section 32.32.

(n) "Participating party" means any person, company, corporation, partnership, firm or other entity or group of entities requiring financing for residential rehabilitation pursuant to the provisions of this chapter.

(o) "Program" means the Rehabilitation Assistance Program described in this chapter and includes, but is not limited to, the provisions for code enforcement, rehabilitation financing, and installation of public improvements in residential rehabilitation areas.

(p) "Rehabilitation Assistance Program" or "RAP" has the same meaning as "program."

(q) "Rehabilitation standards" means the standards established in the City Housing Code and other applicable City codes relating to the physical condition of structures.

commercial, which is located in a residential rehabilitation area.

(s) "Residential rehabilitation" means the construction, reconstruction, renovation, replacement, extension, repair, betterment, equipping, developing, embellishing, or otherwise improving residences consistent with standards of strength, effectiveness, fire resistance, durability, and safety, so that such structures are satisfactory and safe to occupy for residential purposes and are not conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime because of any one or more of the following factors

(1) Defective design and character of physical construction.

(2) Faulty interior arrangement and exterior spacing.

(3) Inadequate provisions for ventilation, lighting and sanitation.

(4) Obsolescence, deterioration and dilipidation.

(t) "Residential rehabilitation area" means the geographical area designated by the Board of Supervisors as one for inclusion in a comprehensive residential rehabilitation financing program pursuant to the provisions of this chapter. It may also be referred to as the "designated area" or the "Code enforcement area," the latter term being used in Sec.301A of the Housing Code.

(u) "Residential rehabilitation loan fund" means the fund established with the proceeds of bonds issued pursuant to the provisions of this chapter or any other fund established for the purpose of making loans to property owners pursuant to the provisions of this chapter.

Sec. 32.51. Maximum Amount of Loan.

The maximum loans for rehabilitation shall be as follows: single family dwelling, $30,000; two-three unit buildings, $10,000

per dwelling unit; four or more unit buildings, $7,500 per dwelling unit; commercial buildings, $5,000 per unit. For the purpose of computing the maximum amount of a loan, a guest room, as defined in Section 203.7 of the Housing Code, shall be considered as one-tenth of a dwelling unit, and a guest room with cooking facilities as one-fifth of a dwelling unit. The Chief Administrative Office may approve a loan in excess of these amounts for multiple dwelling unit buildings following guidelines established by the Chief Administrative Officer; provided that in no case may the loan on a multiple dwelling unit building exceed $17,500 per dwelling unit.

Sec. 32.68. Refinancing.

(a) A loan may be made to refinance an existing indebtedness on a residence if the cost of meeting rehabilitation standards and correcting incipient violations thereof for the residence equals at least twenty per cent of the principal amount of the loan; and

(1) If the sum of the monthly principal and interest payments on the proposed loan for rehabilitation and the monthly payments on existing debt secured by the property, plus property taxes and insurance, would result in total monthly payments that would exceed twenty per cent of the applicant's total monthly income; or

(2) If the Loan Committee recommends approval of refinancing and the recommendation is accepted by the Chief Administrative Officer;

(b) If the Chief Administrative Officer does not accept the recommendation of the Loan Committee regarding refinancing, he or she shall give written reasons for the refusal to accept such recommendation.

(c) In deciding whether to recommend that refinancing be made available to any particular applicant, the Loan Committee shall adhere to guidelines for refinancing which shall be adopted by the Chief Administrative Officer. In developing guidelines for refinancing, the Chief Administrative Officer shall take into consideration the availability of funds for financing residential rehabilitation, the need to prevent significant rent increases which would result in a hardship for tenants, and the need to prevent speculators from profiting from the use of residential rehabilitation financing.

Sec. 32.69. Tenant moving costs and right of first refusal.

All conventional RAP loan agreements shall provide that, in the case of dwelling units which must be vacated because of residential rehabilitation to be performed on the structures where they are located:

(1) A tenant who must vacate a dwelling unit shall have the right of first refusal to occupy that unit when rehabilitation of the property is completed;

(2) The property owner shall give each tenant affected written notice thirty days prior to the date the tenant must vacate of the right to first refusal to occupy the unit vacated when rehabilitation of the property is completed and of the possibility that relocation assistance is available; and

(3) A copy of the notice specified in clause (2) shall be forwarded to the Chief Administrative Officer.

Sec. 32.75. Sanctions for violation of rent increase limitations.

If a property owner refuses to rebate excess rent collected in violation of the provisions of Section 32.73, or if the property owner has been found to be repeatedly violating the rent increase limitations, or if the property owner evicts, attempts to evict,

or threatens to evict tenants because the tenants are seeking to enforce their rights under this chapter, the Chief Administrative Officer may declare the conventional RAP loan agreement terminated, and the unpaid amount of the loan shall immediately become due and payable. In determining whether to declare a loan agreement terminated, the Chief Administrative Officer shall consider any recommendations of the Citizens Advisory Committee for the residential rehabilitation area where the property subject to the loan is located.

Sec. 32.80. Use of hardship loans.

Hardship loans are to be used only for meeting rehabilitation standards and incipient violations thereof.

Sec. 32.81. Maximum amount of loan and eligibility.

(a) A hardship loan of up to $3,500 can be made to a low-income applicant who is the owner-occupant of a one to four dwelling unit building.

(b) To be eligible for a hardship loan the applicant must provide information which demonstrates to the satisfaction of the Chief Administrative Officer that with a conventional RAP loan the applicant's housing costs would exceed twentyfive per cent of gross income; that financing is not available from another source which would reduce the applicant's housing costs to less than twenty-five per cent of gross income; and that the applicant does not have other assets to meet the cost of residential rehabilitation without jeopardizing the applicant's ability to be self-supporting in the future.

Section 2. Sections 32.90 and 32.91 of the San Francisco Administrative Code are hereby repealed and new sections 32.90 and 32.91 are added as follows:

Sec. 32.90. Relocation assistance.

ORDINANCE NO. 131-77

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY ADDING CHAPTER 36 THERETO, ESTABLISHING A VICTIM/WITNESS ASSISTANCE PROGRAM AND PRESCRIBING POWERS AND DUTIES THEREOF; ESTABLISHING A POLICY COMMITTEE TO THE PROGRAM AND PRESCRIBING FUNCTIONS THEREOF.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by adding Chapter 36 thereto, reading as follows:

Sec. 36.1. Declaration of Policy.

It is hereby declared that the policy of the City and County of San Francisco is to provide assistance toward the rehabilitation of persons who suffer as a direct result of violent crime and, to the extent practicable, to assist, encourage, and facilitate the cooperation of the witnesses of crime with the criminal justice system except as to payment of rewards, which subject is covered by other provisions of local law.

The City and County of San Francisco hereby finds that more public cooperation with the criminal justice system is essential for the protection of the public from the ravages of crime. The City and County further finds that the reduction of crime and the furtherance of justice, both to persons accused of crime and to the general public, demand that the workings of the criminal justice system be accessible, sensitive, comprehensible, and rapid.

Sec. 36.2. Establishment, Composition, Policy Committee.

(a) Subject to the budget, fiscal and civil service provisions of the Charter, there is hereby established a service to be known as the Victim/Witness Assistance Program in the City and County of San Francisco in the office of the District Attorney, and a Policy Committee.

(b) The Policy Committee shall consist of the following persons or their designees: the District Attorney, the Chief of Police, the

Public Defender, the Director of Health Care Services, or his designee, the General Manager, Department of Social Services, or his designee, the Chairperson of the Commission on the Aging, the Chairperson of the Commission on the Status of Women, the President of the San Francisco Barristers' Club, and the Chairman of the Fire, Safety and Police Committee of the Board of Supervisors of the City and County of San Francisco. The Policy Committee shall elect a chairperson from among its members. The term of office as chairperson shall be for the calendar year or for that portion thereof remaining after each such chairperson is elected. Members of the Policy Committee shall serve as such without compensation.

(c) The Policy Committee shall oversee general policy implementation and shall determine the priority which various program goals shall be assigned. The Policy Committee shall meet monthly, or as necessary. It shall review the progress of the program, its service to both the victims of violent crime and to the witnesses thereof, and its ability to make the criminal justice system more effectively serve the community.

(d) The Policy Committee shall facilitate liaison with all interested institutions and community groups; it shall endeavour to create good working relationships with all volunteer service organizations. With the assurance of equal treatment of all victims and witnesses, it shall coordinate with, among others, the Public Defender, the Juvenile Probation Department, the Municipal Court, the Superior Court, the Juvenile Court, the Department of Social Services, the Department of Public Health, the Sheriff, the State Board of Control, the Department of Vocational Rehabilitation, and various social service and community groups concerned with individuals affected with the criminal justice system. Emphasis shall be placed on assuring proper treatment of the victims of sexual assault and of domestic violence and victims who are senior citizens. The Policy Committee shall assure that the concerns of

both community and institutional interests with respect to the treatment of victims and witnesses are carefully articulated and incorporated in policy implementation by the District Attorney.

(e) Subject to the budget, fiscal and Civil Service provisions of the Charter, an executive director shall be appointed and shall be responsible for the day-to-day program operations, including but not limited to supervision of staff and volunteer personnel, coordination with other institutional and community agencies, budgeting and recruitment and training of volunteers.

(f) The Board of Supervisors, subject to its budgetary discretion and the successful application for Federal grants to support the program, shall provide funds to pay for such personnel, services and facilities as may be reasonably necessary to enable the District Attorney to exercise his powers and perform his duties under this ordinance.

Sec. 36.3. Powers and Duties.

The program shall provide, to the extent it is feasible, the following:

(a) Liaison Services. Program staff shall provide liaison services for victims and witnesses of crimes to better enable these persons to participate in and fully understand the criminal justice system. The staff shall, for both victims and witnesses, including those involved with the Juvenile Court and the Youth Guidance Center:

(1) Assure that victims and witnesses are made aware of exactly what is expected of them by the judicial system and the purpose of various steps in the investigation and litigation.

(2) Assure that all persons who work with victims of sexual assault and family violence are made sensitive to the special problems peculiar to the victims of such crimes.

(3) Assure that victims and witnesses are kept apprised of the progress of the case in which they are involved.

(4) Establish an on-call system (whereby victims and witnesses may avoid long waits) to notify persons scheduled to appear when, in reality, their appearance will be required.

(5) Assist and educate witnesses in participating in the criminal justice process.

(6) Encourage victims and witnesses to develop a more positive attitude toward the criminal justice system, and to cooperate more fully with police, the district attorney, and the public defender and private defense counsel.

(7) Encourage criminal justice agencies, including the police, the district attorney, the public defender and private defense counsel, to give more consideration and personal attention to victims and witnesses.

(8) Provide bilingual assistance (in both Spanish and Chinese) to victims and witnesses with little or no familiarity with English.

(b) Services Assistance. The program staff will assist victims of crime in obtaining a quicker recovery from the effects of violent crime by providing referral and assistance to victims and witnesses to crimes. The services shall include, among others:

(1) Provision of liaison and referral to special counseling facilities for the victims of violent sexual assault and domestic violence.

(2) Making proper referrals to community service agencies in order to assure that victims suffering from emotionally traumatic assaults may recover as expeditiously as possible.

(3) Referral of injured victims, as appropriate, to rehabilitation facilities.

(4) Establishment of a child-care and transportation capability for victims and witnesses who need such services in order to

court appearances and interviews.

(c) Economic Assistance. The project staff shall:

(1) Increase the number of qualified applicants for State Compensation to victims of violent crime.

(2) Reduce the time required for victims to receive State Compensation; assist victims in preparing complete and detailed claims; assist the State by providing local verification and evaluation.

(3) Provide liaison with local welfare authorities for victims in need of immediate financial assistance.

(d) Research and Evaluation. The research and evaluation component shall gather and classify data on victims of violent crimes by area, type of offense, service needs, cost of county benefits, cost for State Compensation, response by authorities, processing and turn-around times, socio-economic status, and attitudes towards the criminal justice system; the research and evaluation component will gather, classify and keep data on witnesses in criminal proceedings by area, type of proceeding, service needs, costs for fees, time spent in service, and attitudes towards the criminal justice system, and make determinations relative to cost-effectiveness for the provision of services to witnesses. The research and evaluation component shall prepare a year-end report on the effectiveness of the program.

(e) Volunteers. All program components shall provide a means for volunteers approved by the Policy Committee to work within the criminal justice system and will promote cooperative educational programs for students in criminal justice and related fields. The services and offices of the Volunteer Service Bureau of the Bay Area Crusade shall be used to the maximum extent possible. Program staff shall provide community education and publicity in order to make citizens aware of the availability of victim/witness services.

(f) The above enumerated powers and duties shall not be deemed

exclusive. The Program's Policy Committee shall have the power to adopt and to direct its staff to undertake other duties reasonably related to, or necessary for, the assistance of the victims of crime.

Sec. 36.4. Confidentiality of Records.

All information and data collected from and regarding individual victims (and/or relating to particular witnesses, defendants or prospective defendants) shall remain confidential. No action taken by the Policy Committee shall contravene prohibitions against disclosure of confidential criminal records as contained in the California Penal Code, the California Government Code, regulations of the State Attorney General, or laws or regulations promulgated or administered or enforced by the U.S. Department of Justice. The District Attorney shall advise the Policy Committee on all matters regarding the confidentiality of criminal records.

Sec. 36.5. Funding.

The program may request, solicit, receive and disburse funds from governmental and non-governmental sources under the provisions of Article XV, Sections 10.170 and 10.170-1 of the San Francisco Administrative Code.

Sec. 36.6. Reports.

On the first Monday of March, the District Attorney shall submit an annual report to the Board of Supervisors and to members of the Policy Committee. Such report shall include, but not be limited to, a review of the status of services to victims, recommendations for the development and coordination of services for victims, progress made by the office in performing its duties, and a statement of goals for the following year.

Sec. 36.7. Severability.

If any part or provision of this ordinance, or the application thereof to any person or circumstance is held invalid, the remainder

of the ordinance, including the application of such part or provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end the provisions of this ordinance are severable.

AMENDING ORDINANCE NO. 97-76 (SALARY STANDARDIZATION ORDINANCE, 1976-77, CHARTER SECTION 8.401) BY CORRECTING CLERICAL ERRORS IN THE FOLLOWING SECTIONS OF THE ADMINISTRATIVE PROVISIONS: SECTION VII, SALARY STEP PLAN AND SALARY ADJUSTMENTS, RELATING TO SALARY ADJUSTMENTS FOR CLASS 7346 PAINTER; EFFECTIVE JULY 1, 1976.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Ordinance No. 97-76 (Salary Standardization Ordinance, 1976-77, Charter Section 8.401) is hereby amended by correcting clerical errors in Section VII of the Administrative Provisions thereof so that the same shall read as follows:

SECTION VII. SALARY STEP PLAN AND SALARY ADJUSTMENTS

A. APPOINTMENTS TO POSITIONS IN THE CITY AND COUNTY SERVICE SHALL BE AT THE ENTRANCE RATE ESTABLISHED FOR THE POSITION EXCEPT AS PROVIDED:

1. PROMOTIVE APPOINTMENT IN A HIGHER CLASS

AN EMPLOYEE OR OFFICER WHO IS A PERMANENT APPOINTEE FOLLOWING COMPLETION OF THE PROBATIONARY PERIOD OR SIX MONTHS OF PERMANENT SERVICE, AND WHO IS APPOINTED TO A POSITION IN A HIGHER CLASSIFICATION, EITHER PERMANENT OR TEMPORARY, DEEMED TO BE PROMOTIVE BY THE CIVIL SERVICE COMMISSION SHALL HAVE HIS SALARY ADJUSTED TO THAT STEP IN THE PROMOTIVE CLASS AS FOLLOWS:

(A) IF THE EMPLOYEE IS RECEIVING A SALARY IN HIS PRESENT CLASSIFICATION EQUAL TO OR ABOVE THE ENTRANCE STEP OF THE PROMOTIVE CLASS, THE EMPLOYEE'S SALARY IN THE PROMOTIVE CLASS SHALL BE ADJUSTED TO TWO STEPS IN THE COMPENSATION SCHEDULE OVER THE SALARY RECEIVED IN THE LOWER CLASS BUT NOT ABOVE THE MAXIMUM OF THE SALARY RANGE OF THE PROMOTIVE CLASSIFICATION.

(B) IF THE EMPLOYEE IS RECEIVING A SALARY IN HIS PRESENT CLASSIFICATION WHICH IS LESS THAN THE ENTRANCE STEP OF THE SALARY RANGE OF THE PROMOTIVE CLASSIFICATION, THE EMPLOYEE SHALL HAVE A SALARY ADJUSTMENT TO A STEP IN THE PROMOTIVE CLASS WHICH IS CLOSEST TO AN ADJUSTMENT OF 7 1/2% ABOVE THE SALARY RECEIVED IN THE CLASS FROM WHICH PROMOTED. THE PROPER STEP SHALL BE DETERMINED BY THE BIWEEKLY COMPENSATION SCHEDULE AND SHALL NOT BE ABOVE THE MAXIMUM OF THE SALARY RANGE OF THE PROMOTIVE CLASS.

2. LIMITED TENURE TO PROMOTIVE

A LIMITED TENURE APPOINTEE WHO ACCEPTS APPOINTMENT TO A PROMOTIVE POSITION FROM A REGULAR ELIGIBLE LIST SHALL HAVE HIS SALARY IN THE PROMOTIVE APPOINTMENT BASED ON HIS SALARY IN HIS REGULAR CIVIL SERVICE NEXT LOWER RANK POSITION FROM WHICH HE GAINED PROMOTIVE ELIGIBILITY.

IF THE FOLLOWING CONDITIONS ARE MET, THE SALARY IN THE PROMOTIVE APPOINTMENT SHALL BE NOT LESS THAN THE SALARY RECEIVED UNDER LIMITED TENURE APPOINTMENT:

(A) THAT THE EMPLOYEE WAS SERVING UNDER PERMANENT LIMITED TENURE APPOINTMENT FOR AT LEAST SIX MONTHS IMMEDIATELY PRIOR TO ACCEPTING SUCH REGULAR PROMOTIVE APPOINTMENT.

(B) THAT THE EMPLOYEE RECEIVED THE SALARY ABOVE THE ENTRANCE RATE OF THE COMPENSATION SCHEDULE IN THE PERMANENT LIMITED TENURE APPOINTMENT.

(C) THAT IF THE SALARY STEPS IN THE LIMITED TENURE CLASS AND THE REGULAR PROMOTIONAL CLASS DO NOT MATCH, THE EMPLOYEE SHALL BE ADVANCED TO THE SALARY STEP IN THE COMPENSATION SCHEDULE NEAREST THAT RECEIVED IN THE LIMITED TENURE APPOINTMENT.

(D) FURTHER INCREMENTS IN THE COMPENSATION SCHEDULE IN THE REGULAR PROMOTIVE CLASS SHALL BE BASED UPON THE DATE OF PERMANENT APPOINTMENT TO THE REGULAR PROMOTIONAL APPOINTMENT.

3. NONPROMOTIVE APPOINTMENT

(A) WHEN AN EMPLOYEE WHO IS A PERMANENT APPOINTEE, OCCUPYING A PERMANENT POSITION, FOLLOWING COMPLETION OF THE PROBATIONARY PERIOD OR SIX MONTHS OF PERMANENT SERVICE AND ACCEPTS A NONPROMOTIVE APPOINTMENT IN A CLASSIFICATION HAVING A HIGHER SALARY SCHEDULE, THE APPOINTEE SHALL ENTER THE NEW POSITION AT THAT SALARY FIXED FOR SUCH CLASS (INCLUDING SENIORITY INCREMENTS) IN THE SCHEDULES OF COMPENSATION WHICH IS IMMEDIATELY IN EXCESS OF THE SALARY WHICH THE EMPLOYEE RECEIVED IMMEDIATELY PRIOR TO HIS APPOINTMENT TO SUCH POSITION.

(B) WHEN SUCH EMPLOYEE ACCEPTS A NONPROMOTIVE APPOINTMENT IN A CLASSIFICATION HAVING THE SAME SALARY SCHEDULE, OR A LOWER SALARY SCHEDULE, THE APPOINTEE SHALL ENTER THE NEW POSITION AT THAT SALARY STEP WHICH IS THE SAME AS THAT RECEIVED IN THE PRIOR APPOINTMENT, OR IF THE SALARY STEPS DO NOT MATCH, THEN THE SALARY STEP WHICH IS IMMEDIATELY IN EXCESS OF

DOCUMENTS
MAY 6 1977
SAN FRANCISCO PUBLIC LIBRARY

THAT RECEIVED IN THE PRIOR APPOINTMENT, PROVIDED THAT SUCH SALARY SHALL NOT EXCEED THE MAXIMUM OF THE SALARY SCHEDULE. FURTHER INCREMENTS SHALL BE BASED UPON THE SENIORITY INCREMENT ANNIVERSARY DATE IN THE PRIOR APPOINTMENT.

4. APPOINTMENT ABOVE ENTRANCE RATE

PERMANENT OR EXEMPT APPOINTMENTS MAY BE MADE AT ANY STEP ABOVE THE ENTRANCE STEP OF THE COMPENSATION SCHEDULE SUBJECT TO THE FOLLOWING CONDITIONS:

1. THE CONTROLLER CERTIFIES THAT FUNDS ARE AVAILABLE AND

2. IF IN THE JUDGEMENT OF THE CIVIL SERVICE COMMISSION UPON RECOMMENDATION OF THE GENERAL MANAGER OF PERSONNEL, THE CITY IS EXPERIENCING RECRUITING AND RETENTION PROBLEMS IN SPECIFIC CLASSIFICATIONS, OR FOR INDIVIDUALS POSSESSING SPECIAL QUALIFICATIONS OR OTHER UNUSUAL EMPLOYMENT CIRCUMSTANCES.

5. DETERMINATION OF PAY FOR POSITION FORMERLY EXEMPT

WHERE A POSITION IN THE MUNICIPAL SERVICE HAS BEEN EXEMPT FROM THE SALARY STANDARDIZATION PROVISIONS OF THE CHARTER AND BECOMES SUBJECT THERETO, OR WHERE A POSITION BECOMES SUBJECT TO SALARY STANDARDIZATION PROVISIONS OF THE CHARTER OR ACQUISITION OF A PUBLIC UTILITY, THE EMPLOYEE HOLDING SUCH POSITION SHALL FOR THE PURPOSE OF DETERMINING THE SALARY OR WAGE TO WHICH SUCH EMPLOYEE IS ENTITLED UNDER THE SCHEDULES OF COMPENSATION, BE CREDITED WITH PRIOR SERVICE HAD IN SUCH POSITION IMMEDIATELY PRIOR TO SUCH CHANGE IN THE STATUS OF THE POSITION, PROVIDED THERE HAS NO INTERRUPTION IN THE SERVICE OF THE EMPLOYEE AT THE TIME OF SUCH CHANGE IN THE STATUS OF THE POSITION.

6. APPOINTIVE POSITION

AN EMPLOYEE WHO HOLDS AN APPOINTIVE POSITION, WHOSE SERVICES ARE TERMINATED THROUGH LACK OF FUNDS OR REDUCTION IN FORCE, AND IS THEREUPON APPOINTED TO ANOTHER APPOINTIVE POSITION WITH THE SAME OR LESSER SALARY SCHEDULE, SHALL RECEIVE A SALARY IN THE SECOND POSITION BASED UPON THE RELATIONSHIP OF THE DUTIES AND RESPONSIBILITIES AND LENGTH OF PRIOR CONTINUOUS SERVICE AS DETERMINED BY THE CIVIL SERVICE COMMISSION.

B. COMPENSATION ADJUSTMENTS

1. WHEN AN EMPLOYEE IS PROMOTED TO A HIGHER CLASSIFICATION DURING PRIOR FISCAL YEAR AND RECEIVES A LESSER

SALARY THAN IF PROMOTED IN THE SAME CLASS AND FROM THE SAME SALARY STEP DURING 1976-77, HIS SALARY SHALL BE ADJUSTED ON JULY 1, 1976, TO THE RATE HE WOULD HAVE RECEIVED HAD HE BEEN PROMOTED IN 1976-77.

THE CIVIL SERVICE COMMISSION IS HEREBY AUTHORIZED TO ADJUST THE SALARY AND ANNIVERSARY INCREMENT DATE OF ANY EMPLOYEE PROMOTED FROM ONE CLASS TO A HIGHER CLASSIFICATION WHO WOULD RECEIVE A LESSER SALARY THAN AN EMPLOYEE PROMOTED AT A LATER DATE TO THE SAME CLASSIFICATION FROM THE SAME BASE CLASS FROM WHICH THE PROMOTIONAL EXAMINATION WAS HELD, AND SAME SALARY STEP IN SUCH BASE CLASS.

2. WHEN A CLASSIFICATION THAT WAS FORMERLY A NEXT LOWER RANK IN A REGULAR CIVIL SERVICE PROMOTIONAL EXAMINATION RECEIVES THROUGH SALARY STANDARDIZATION A SALARY SCHEDULE HIGHER THAN THE SALARY SCHEDULE OF THE CLASSIFICATION TO WHICH IT WAS FORMERLY PROMOTIVE, THE CIVIL SERVICE COMMISSION SHALL AUTHORIZE A RATE OF PAY TO AN EMPLOYEE WHO WAS PROMOTED FROM SUCH LOWER CLASS, EQUIVALENT TO THE SALARY HE WOULD HAVE RECEIVED HAD HE REMAINED IN SUCH LOWER CLASS, PROVIDED THAT SUCH EMPLOYEE MUST FILE WITH THE CIVIL SERVICE COMMISSION AN APPROVED REQUEST FOR REINSTATEMENT IN ACCORDANCE WITH THE PROVISIONS OF THE CIVIL SERVICE COMMISSION RULE GOVERNING REINSTATEMENTS TO THE FIRST VACANCY IN HIS FORMER CLASSIFICATION, AND PROVIDED FURTHER THAT THE INCREASED PAYMENT SHALL BE DISCONTINUED IF THE EMPLOYEE WAIVES AN OFFER TO PROMOTION FROM HIS CURRENT CLASSIFICATION OR REFUSED AN EXEMPT APPOINTMENT TO A HIGHER CLASSIFICATION. THIS PROVISION SHALL NOT APPLY TO OFFERS OF APPOINTMENT WHICH WOULD INVOLVE A CHANGE OF RESIDENCE.

THE SPECIAL RATE OF PAY HEREIN PROVIDED SHALL BE DISCONTINUED IF THE EMPLOYEE FAILS TO FILE AND COMPETE IN ANY PROMOTIONAL EXAMINATION FOR WHICH HE IS OTHERWISE QUALIFIED, AND WHICH HAS A COMPENSATION SCHEDULE HIGHER THAN THE PROTECTED SALARY OF THE EMPLOYEE.

3. AN EMPLOYEE APPOINTED TO A POSITION IN THE FISCAL YEAR 1975-76 AT A FLAT RATE WHOSE CLASS EFFECTIVE JULY 1, 1976, IS ASSIGNED TO A COMPARABLE SCHEDULE SHALL BE ADVANCED ON JULY 1, 1976, TO THE NEXT STEP IN THE 1976-77 SALARY SCHEDULE AND SHALL RETAIN HIS ORIGINAL ANNIVERSARY DATE IN THE CLASS FOR FUTURE INCREMENTS

4. WHEN AN EMPLOYEE IS PROMOTED UNDER TEMPORARY CERTIFICATION TO A HIGHER CLASSIFICATION DURING A PRIOR FISCAL YEAR, AND SUCH TEMPORARY CERTIFICATION EXPIRES IN THE CURRENT FISCAL YEAR AT THE CONCLUSION OF THE AUTHORIZED TIME OF THE REQUISITION, AND SUCH EMPLOYEE IS IMMEDIATELY RECERTIFIED WITHOUT A BREAK IN SERVICE TO A POSITION IN THE SAME CLASSIFICATION,

SUCH CERTIFICATION SHALL BE IN ACCORDANCE WITH THE PROVISIONS OF THIS ORDINANCE PROVIDED THAT THE SALARY SHALL NOT BE LESS THAN THE SAME STEP IN THE SALARY SCHEDULE THE EMPLOYEE RECEIVED IN THE IMMEDIATELY PRIOR TEMPORARY CERTIFICATION.

5. A TEMPORARY EMPLOYEE CERTIFIED FROM A REGULAR CIVIL SERVICE ENTRANCE LIST WHO HAS COMPLETED SIX MONTHS OR MORE OF TEMPORARY EMPLOYMENT WITHIN THE IMMEDIATELY PRECEDING ONE YEAR PERIOD BEFORE APPOINTMENT TO A PERMANENT POSITION IN THE SAME CLASS SHALL BE APPOINTED AT THE NEXT HIGHER STEP IN THE SALARY SCHEDULE AND TO SUCCESSIVE STEPS UPON COMPLETION OF THE SIX MONTHS OR ONE YEAR REQUIRED SERVICE FROM THE DATE OF PERMANENT APPOINTMENT. THESE PROVISIONS SHALL NOT APPLY TO TEMPORARY EMPLOYEES WHO ARE TERMINATED FOR UNSATISFACTORY SERVICES OR RESIGN THEIR TEMPORARY POSITION.

6. PERMANENT EMPLOYEES WORKING UNDER LIMITED TENURE APPOINTMENT IN OTHER CLASSIFICATIONS OR TEMPORARY APPOINTMENTS FROM ELIGIBLE LISTS IN OTHER CLASSIFICATIONS SHALL HAVE THEIR SALARY ADJUSTED IN THE LIMITED TENURE OR TEMPORARY CLASS WHEN SUCH EMPLOYEES REACH THEIR SALARY ANNIVERSARY DATE IN THEIR PERMANENT CLASS.

C. COMPENSATION UPON TRANSFER OR RE-EMPLOYMENT

1. AN EMPLOYEE TRANSFERRED IN ACCORDANCE WITH CIVIL SERVICE COMMISSION RULES FROM ONE DEPARTMENT TO ANOTHER, BUT IN THE SAME CLASSIFICATION, SHALL TRANSFER AT HIS CURRENT SALARY, AND IF HE IS NOT AT THE MAXIMUM SALARY FOR THE CLASS, FURTHER INCREMENTS SHALL BE ALLOWED FOLLOWING THE COMPLETION OF THE REQUIRED SERVICE BASE UPON THE SENIORITY INCREMENT ANNIVERSARY DATE IN THE FORMER DEPARTMENT.

2. AN EMPLOYEE WHO HAS ACQUIRED PERMANENT STATUS IN A POSITION AND WHO IS LAID OFF BECAUSE OF LACK OF WORK OR FUNDS AND IS RE-EMPLOYED IN THE SAME CLASS AFTER SUCH LAYOFF, SHALL BE PAID A SALARY OR WAGE WHICH SHALL INCLUDE CREDITS FOR ACTUAL SERVICE, EITHER PERMANENT OR TEMPORARY, IN THE SAME CLASS AND DEPARTMENT IN WHICH HE HAS HOLDOVER STATUS FROM DATE OF PERMANENT APPOINTMENT IN THE CLASS.

3. EMPLOYEES IN CLASS 2910 SOCIAL WORKER AND 2912 SENIOR SOCIAL WORKER WITH CONTINUOUS UNINTERRUPTED SERVICE WHO ARE LAID OFF BECAUSE OF LACK OF WORK OR FUNDS AND ARE APPOINTED WITHIN 30 DAYS TO A PERMANENT POSITION IN CLASS 2903 ELIGIBILITY WORKER SHALL BE PAID A SALARY WHICH SHALL INCLUDE CREDIT FOR THE PERMANENT OR TEMPORARY TIME IN CLASSES 2910 SOCIAL WORKER OR 2912 SENIOR SOCIAL WORKER.

EMPLOYEES IN CLASS 7346 PAINTER, BOTH PERMANENT AND TEMPORARY, WHO WERE EMPLOYED ON MARCH 31, 1976 THROUGH JUNE 30, 1976 AND LAID OFF SUBSEQUENT TO JULY 1, 1976 SHALL, IF RE-HIRED IN FISCAL YEAR 1976-77, RECEIVE 100% OF THE BASIC HOURLY RATE (5TH STEP OF THE COMPENSATION SCHEDULE).

Section 2. In enacting Section 1 of this ordinance, this Board of Supervisors finds and determines that the language relating to the above section of the Administrative Provisions was incorrectly identified in Ordinance No. 97-76 through inadvertence and that the corrections as herein provided reflect the intention of this Board in adopting the Salary Standardization Ordinance for July 1, 1976.

Section 3. This ordinance shall be effective July 1, 1976.

4. WHEN AN EMPLOYEE IS PROMOTED UNDER TEMPORARY CERTIFICATION TO A HIGHER CLASSIFICATION DURING A PRIOR FISCAL YEAR, AND SUCH TEMPORARY CERTIFICATION EXPIRES IN THE CURRENT FISCAL YEAR AT THE CONCLUSION OF THE AUTHORIZED TIME OF THE REQUISITION, AND SUCH EMPLOYEE IS IMMEDIATELY RECERTIFIED WITHOUT A BREAK IN SERVICE TO A POSITION IN THE SAME CLASSIFICATION,

SUCH CERTIFICATION SHALL BE IN ACCORDANCE WITH THE PROVISIONS OF THIS ORDINANCE PROVIDED THAT THE SALARY SHALL NOT BE LESS THAN THE SAME STEP IN THE SALARY SCHEDULE THE EMPLOYEE RECEIVED IN THE IMMEDIATELY PRIOR TEMPORARY CERTIFICATION.

5. FILE NO. 267-76-4.1 ORDINANCE NO. 188-77

AUTHORIZING THE COMPROMISE AND SETTLEMENT OF CERTAIN TAX COLLECTOR'S DEFICIENCY DETERMINATIONS UNDER PAYROLL EXPENSE TAX ORDINANCE, ARISING FROM DISPUTES AS TO WHETHER OR NOT LICENSED REAL ESTATE SALESMEN ARE "EMPLOYEES", AND REPEALING ORDINANCE NO. 104-77.

Be it ordained by the People of the City and County of San Francisco:

Section 1. A dispute has arisen between the Tax Collector, on the one hand, and certain real estate brokers, on the other hand, as to whether or not commissions paid by such real estate brokers to their licensed real estate salesmen must be included in the computation of "payroll expense" for purposes of the Payroll Expense Tax. Said real estate brokers, on the basis of an opinion by the California Attorney General that a real estate salesman may or may not be an "employee", depending on the facts of each particular case, contend that the particular relationship between said real estate brokers and their licensed real estate salesmen does not create an employer-employee relationship. The Tax Collector, on the basis of a City Attorney's opinion that real estate salesmen, as a matter of law, are employees whose commissions must be included in the real estate brokers' computation of payroll expense, has levied deficiency determinations against certain real estate brokers who did not include within their "payroll expense" commissions paid to licensed real estate salesmen. It is highly desirable to compromise and settle this dispute without the necessity of litigation.

The Tax Collector hereby is authorized to compromise and settle claims for back taxes arising from the above described deficiency determinations, by way of collecting (together with interest thereon, but without penalties) the full amount of any such deficiency determinations accruing on or after January 1, 1975, and one-half (1/2) of the amount of any such deficiency determination accruing during the calendar year 1974, and by not collecting any portion of said deficiency determinations accruing prior to January 1, 1974, provided, however, that any such settlement shall be agreed upon in writing on or before the earlier of the following dates, namely (1) ~~September 1, 1977~~ November 1, 1977, or (2) thirty (30) days after the filing date of any suit raising questions as to the status of real estate salesmen as employees.

Section 2. Ordinance No. 104-77 is hereby repealed.

SECOND DRAFT

FILE NO. 537-76 ORDINANCE NO. 198-77

AMENDING ARTICLE 4.2, CHAPTER X, PART II, SAN FRANCISCO MUNICIPAL CODE (PUBLIC WORKS CODE) BY AMENDING SECTIONS 141 THROUGH 149, INCLUSIVE; AND ADDING SECTIONS 140 ~~AND 150~~; AND REPEALING SECTIONS 144.1 THROUGH 144.8 INCLUSIVE; ESTABLISHING PROCEDURES FOR SETTING SEWERAGE CHARGES AND INDUSTRIAL COST RECOVERY CHARGES; PROVIDING FOR BILLING AND COLLECTION; ESTABLISHING REVENUE FUNDS; PROVIDING FOR DISPOSAL OF SURPLUS FUNDS.

Be it ordained by the People of the City and County of San Francisco;

Section 1, Article 4.2, Chapter X, Part II, San Francisco Municipal Code (Public Works Code) is hereby amended by amending Sections 141 through 149 inclusive; and adding Section 140 and 150 thereto, to read as follows:

SEC. 140 Definitions. For the purposes of this Article, the following definitions shall apply:

(a) "City". The City and County of San Francisco.

(b) "Director". The Director of the Department of Public Works of City or a designated representative of the Director.

(c) "Exemption". A determination that the service is used entirely for specific purposes enumerated in this Article and accordingly exempt from the charges imposed by the provisions of this Article.

(d) "Sewage". The spent water of the community received by the sewerage system. From the standpoint of source, it may be from storm water, well water, bay or ocean water, the liquid and water-carried wastes from residences, commerical buildings, industrial plants and governmental and non-governmental institutions.

(e) "Sewerage System". All city-owned facilities for collecting, pumping, treating, transporting and disposing of sewage.

(f) "Industrial User". A user who is the owner of record, the lessee, sub-lessee, licensee, permittee or other person in possession of real property, used for manufacturing or processing establishment or a commercial or industrial operation which contributes sewage to the sewerage system.

(g) "Service". A Water Department standard service or combination service which is a pipe connection from the water distribution main to the consumer premises whereby a measured amount of water is delivered through either a single meter or a battery of meters either of which is classed as a single-sized service.

(h) "Fire Service". A service provided solely for fire protection.

(i) "User". An owner or occupant, whether private, governmental or otherwise, of a unit, building, premises or lot in the City who is responsible for payment of Water Department metered charges or who contributes to the sewerage system from sources other than those of the Water Department.

(j) "Water Department". The San Francisco Water Department.

(k) "Manager". The General Manager of the Water Department or a designated representative of the General Manager.

(l) "Meter". A device furnished by the Water Department for the purpose of determining the volume of water delivered to user.

(m) "Total Sewerage Revenue Requirements". The total revenue requirements of the sewerage system, excluding Industrial Cost Recovery Revenue Requirements, but including bond interest, redemption, sinking fund, reserve fund and all other debt service charges for bonds issued for sewerage purposes, including general obligation bonds of the City and County of San Francisco heretofore or hereafter issued, renewal and replacement, operation and maintenance, and administrative management and staffing of the Department of Public Works, Engineering and other City Departments or Agencies necessary to construct, operate and maintain the Systems.

(n) "Industrial Cost Recovery Revenue Requirements". The revenues that must be recovered from industrial users according to the requirements of the Federal Guidelines for Cost Recovery Systems then in effect, pursuant to Section 204(b)(1)(B) of the Federal Water Pollution Control Act Amendments of 1972 PL 92-500; or any other act or regulation of the federal government in effect at the time such definition is applicable, providing requirements for the recovery of revenue from industrial users.

(o) "Controller". The Controller of the City.

(p) "Board". The Board of Supervisors of the City.

(q) "Chief Administrative Officer". The Chief Administrative Officer of the City.

(r) "Parameter". A component or property of sewage which places an identifiable demand on the sewage system.

SEC. 141. "Adoption of Charges." At least once annually the Chief Administrative Officer, with the concurrence of the Controller, shall transmit to the Board of Supervisors

recommended schedules of Sewer Service Charges and Industrial Cost Recovery Charges. When such recommendations are transmitted, the Board shall adopt and impose by resolution schedules of charges to be paid by users. The rates in the schedules must be set in accordance with applicable Federal and State regulation and the proceeds from such charges must be sufficient to meet the City's annual Total Sewerage Revenue Requirements and annual Industrial Cost Recovery Revenue Requirements.

If the Board fails to adopt schedules of charges within ninety (90) ~~thirty (30)~~ calendar days after recommended schedules are submitted to the Board by the Chief Administrative Officer, the recommended schedules will be deemed adopted and shall become effective as if adopted and imposed by Resolution of the Board.

SEC. 142. "Sewer Service Charges." Sewer Service Charges will be based on the cost of collecting, pumping, transporting, treating and disposing of each unit of parameter discharged into the sewerage system by users. The Chief Administrative Officer, with the recommendation of the Director, shall adopt parameters for which charges will be made. The parameters shall include flow and may include suspended solids, grease, chemical oxygen demand or such other parameters deemed applicable. The Director shall determine the estimated total annual quantity of each parameter collected, pumped, transported, treated and disposed of by the sewerage system. The Director may establish parameter loading standards to be applied to various categories of users based on uniformity of such parameters among members

of each category. The Chief Administrative Officer shall estimate the annual Total Sewerage Revenue Requirements and distribute the estimated requirements to the parameters. The unit cost per parameter is then determined by dividing the parameter annual revenue allocation by the estimated annual quantity of that parameter. The unit costs shall be used to develop schedules of Sewer Service Charges to be paid by users.

The procedures used in establishing ~~Sewer Service Charges~~ schedules of Sewer Service Charges in accordance with this Section shall be consistent with the State of California Revenue Program Guidelines adopted by the California State Water Resources Control Board in accordance with Section 2150 of the Clean Water Grant Program Regulations and Title 23, Chapter 3, Subchapter 7 of the California Administrative Code, or any other applicable laws, rules or regulations of the State of California in effect and applicable to the sewerage system.

SEC. 143. Industrial Cost Recovery Charge. At least once annually the Chief Administrative Officer shall determine the amount required to fund the annual Industrial Cost Recovery Requirement mandated by P.L.92-500, Section 204(b)(1). The amount required will be allocated to industrial dischargers and schedules will be established for charges to be paid by each user. These charges will be in addition to Sewer Service Charges.

SEC. 144. Estimated Volume of Sewage. Users and industrial discharges who acquire water from sources other than metered department sources shall supply to the Director

at their own expense information and data requested by the Director to enable the Director to estimate the volume of sewage discharged by the user or industrial discharger.

SEC. 145. Exemptions. Exemptions or adjustments, as set forth hereinbelow, may be granted upon application in writing to the Chief, Bureau of Sanitary Engineering, and upon determination of said Chief that the applicant meets any of the following exemptions:

(1) A service used solely for fire service or hydrant meter service as defined by the Water Department;

(2) A service or meter used solely for irrigation purposes;

(3) A service or well where no water enters the sewerage System either through a private or public sewer, lateral, gutter, catchbasin or storm water inlet.

The Director shall establish rules and regulations for the filing, review and determination of exemptions or adjustments and insofar as consistent with the provisions of this section for any appeals to said Director from determinations thereon.

Any user who so qualifies as provided in this section may apply in writing for an exemption or adjustment to the Chief, Bureau of Sanitary Engineering, within thirty (30) days from the date the bill is mailed or delivered with respect to the period for which the user seeks such exemption or adjustment, provided however, that no exemption or adjustment shall be allowed for any period prior to the period covered by said bill, except as otherwise provided for herein.

The Chief, Bureau of Sanitary Engineering, shall act upon each application upon receipt and shall make a

determination thereon within thirty (30) days from the date said application is filed whenever reasonably possible, and shall immediately notify the applicant in writing of this determination on the application for exemption or adjustment. Request for additional information may be made to the applicant, and if the applicant fails to produce the requested information or fails to request an extension of time in writing within thirty (30) days from the date of mailing the request therefor, the proceeding may be terminated.

Any person who filed an application for an exemption or adjustment and received a determination thereon, and who has otherwise complied with the procedures of this section, may appeal such determination to the Director pursuant to procedures, rules and regulations adopted by the Director for such purposes. An appeal to the Director shall set forth specifically wherein a determination fails to conform the requirements of this Article or wherein a determination is improper or unreasonable. Such appeal must be filed within ten (10) days following the date of mailing notice of the determination on the request for exemption for adjustment. The Director shall set a time for hearing the matter, and shall mail written notice thereof not less than ten (10) days prior to the date of such hearing to the person who has so filed.

A hearing upon an appeal shall be set whenever reasonably possible not later than thirty (30) days after the date of filing the appeal. The Director may continue the hearing from time to time at his discretion, and shall make a written determination upon the appeal within fifteen (15) days from the conclusion of the hearing and provide a copy thereof

to the person who filed said appeal.

Where no appeal has been filed, and exemption or adjustment determination shall become final upon the termination of time for filing an appeal to the Director as provided for in this section. In the event an appeal has been timely filed, the determination by the Director upon such appeal shall be final.

The filing of an application for an exemption or adjustment of an appeal to the Director from a determination thereon shall not stay the continued and further billing during the course of time consumed in said proceedings, but any continued and further billing will be adjusted, if appropriate, at the termination of the proceedings pursuant to and in conformance with the determination therein; provided, however, that acceptance of any payment by City, subsequent to the application for said exemption or adjustment, shall not preclude billing and collection from or in excess of such payments and in conformance with said final determination.

SEC. 146. Billing and Collection. The sewer service charge and industrial cost recovery charge imposed by this Article shall be collected from the user by the Water Department as provided by Sections 150.1 through 150.13 inclusive of this Article. Adopted schedules of charges shall be transmitted to the Water Department and billing and collection in accordance with the schedules shall commence on the next practicable billing cycle of the Water Department. The amounts collected shall be transmitted as soon as practical to the Treasurer for deposit to the credit of the funds established herein.

SEC. 147. Sewerage Service Revenue Funds; Establishment; Purposes; Appropriations Therefrom. The Water Department

shall transmit all sewer service charges collected pursuant to this Article to the Treasurer of the City and County for deposit to the credit of a special fund which is hereby created and which shall be known as the "Sewerage Service Revenue Fund". Monies in the Sewerage Service Revenue Fund, including earnings thereon, shall be appropriated, transferred, expended and used in the manner, for the purposes and in the priorities provided in the resolution or resolutions hereafter adopted by the Board providing for the issuance of revenue bonds by the City for the acquisition, construction, improvement and financing of the sewerage system. Except that monies shall be appropriated for operation and maintenance, replacement, equipment and related administration in accordance with the budget and fiscal provisions of the Charter.

SEC. 148. Industrial Cost Recovery Revenue Fund; Establishment; Purpose; Appropriations Therefrom. The Water Department shall transmit all industrial cost recovery charges, collected pursuant to this Article, to the Treasurer of the City and County for deposit to the credit of a special fund which is hereby created and which shall be known as the "Industrial Cost Recovery Revenue Fund". All monies in the Industrial Cost Recovery Revenue Fund, including earnings thereon, shall be appropriated, transferred, expended and used solely as provided by Federal or State guidelines for Industrial Recovery Systems, promulgated pursuant to Section 204(b)(1)(B) of the Federal Water Pollution Control Act Amendment of 1972 (P.L. 92-500) or any other act or regulation of the Federal Government providing specified requirements for the Sewerage Revenue Requirements which must be recovered from industrial users in effect at the time such revenues

appropriated, transferred, or expended.

SEC. 149. Surpluses. Any unexpended, unencumbered or otherwise uncommitted funds remaining in the Sewerage Service Revenue Fund or the Industrial Cost Recovery Revenue Fund at the end of any fiscal year, shall be retained in said funds and applied to the Total Sewerage Revenue Requirements or the Industrial Cost Recovery Revenue Requirements, respectively, for the next succeeding fiscal year to reduce those requirements.

Section 2, Article 4.2, Chapter X, Part II, San Francisco Municipal Code (Public Works Code) is hereby amended by repealing Sections 144.1 through 144.8 inclusive.
